

Dear Parent/Guardian

Knole Academy Year 5 Taster Sessions 2023

We would like to invite you and your Year 5 child to have an opportunity to find out about life and lessons here at Knole Academy. Whilst your child experiences a lesson of their preferred subject choice, you will be able to have a tour of the school which will include visiting your child's taster lesson. However, if you would prefer to leave once you have registered your child, they will need to be collected at 10.15am when their taster session has finished. At 10.15am there will be an opportunity for you to meet the main Leadership Team for a Q&A session before the event ends at 10.30am.

Parents and children should arrive at the Knole Academy main reception to get registered before the session begins at 9.10am. Parents are responsible for checking in their own child. Students will be taken to the lesson they have chosen, which must be booked in advance via the Knole Academy website. If children are booked into a practical session such as PE, they should wear their PE kit on the day.

The taster sessions will run on nine separate occasions throughout June and July. On each date two different lessons are on offer, but we request that parents make **one** booking only, in advance, to allow us to accommodate as many children as possible. All bookings should be made via the Knole Academy website using the following link:- <https://www.knoleacademy.org/3453/taster-sessions> (the bookings will not go live until 10am on Tuesday 2 May 2023).
