Dear Parents/Carers,

Possible Threadworm

It has been brought to our attention that there may be a case of threadworms in school. Would you please check your child yourself, or book an appointment with your doctor and where necessary treat with medication.

Staff have reminded the children of the importance of handwashing and it would be helpful if this could be reinforced at home. Anti-bacterial hand gel is dispensed to children before lunchtimes to ensure hand cleanliness prior to eating.

More information can be found on the following website:

<http://www.nhs.uk/Conditions/Threadworms/Pages/Introduction.aspx>

We thank you for your support with this matter.

Yours sincerely

Mrs G Lovatt-Young
Headteacher
