Dear Parents and Carers,

### **Trips and Events**

In an effort to improve the coordination of trips and events, we will now include a list of invited pupils in your invitation email. We hope this will help facilitate lift-sharing arrangements among families. If you have extra space in your car, we kindly ask that you offer a lift where possible. We understand that work commitments may make this difficult, but we would appreciate if everyone could share the responsibility, so it's not always the same parents each time.

We are pleased to offer children access to such a wide range of activities, but we rely on your support to make these opportunities possible. If your child would like to attend but you are still arranging transportation, please feel free to submit the form and mark "TBC" under the authorised person section. Once arrangements have been made with other parents, kindly inform the office. If your child cannot attend please complete the form as soon as possible so we have sufficient notice to offer this opportunity elsewhere.

Thank you for your cooperation and continued support.
