Dear Parents / Carers

Curriculum Afternoon on Thursday 24th October at 3pm

In response to our most recent Parent / Carer questionnaire, we are holding a Curriculum Afternoon on the last day of term at 3pm so that families can view their child's work to find out more about what they have been learning and how well they are doing. This will support the parent consultation meetings that will have taken place earlier that week when you have the chance to talk about your child with their class teacher. These afternoons will take place every term in addition to consultations and written reports.

It is important to us that you feel that you know how well your child is doing with their learning and we hope these opportunities to see your child's work in school will support this.

Best wishes

Gillian Lovatt-Young
