4th October 2024

Dear Parents/Carers,

Exciting Opportunity

We are participating in a project with the Darent Valley Community Rail Partnership to provide pictures that will comprise a new mural to be painted on the platform wall at Shoreham Station (by a professional artist).

Some children have had an opportunity to create a contribution at school but others may not. All pupils are invited to create a drawing or painting in the theme of 'The Natural Beauty of Shoreham', preferably not a scene but an element that can be added to the mural eg an animal, flower, tree, landmark, feature that is found in Shoreham. Our understanding is that all entries will be included along with the child's first name so it is worth submitting a picture!

The pictures are being collected on Thursday 10th October.

Best wishes

Mrs Lovatt-Young
