30th January 2015

Dear Parents

Maths Calculations Workshop for All Parents on Tuesday 24th February 2015 at 8.45am

You are invited to attend this workshop on Tuesday 24th February to take advantage of an excellent learning opportunity for parents. It will be held in the Hall from 8.45am to 9.15 am.

During this session, you will be introduced to ways in which you can support your children in their Maths skills. We will explore the most up-to-date educational theory on how Maths is taught, with a focus on the Maths Toolkit 'Abacus Active Learn' which is utilised in our school. There will be practical ideas for parents on how to encourage in their child, the knowledge and self-assurance that helps them with this subject and we will also look at ways parents can assist with homework following the methods taught in school.

Please reserve a place by completing and returning the slip below to the School Office or by emailing the School Secretary on office@shoreham.kent.sch.uk by Tuesday 10th February 2015.

Yours sincerely

Mrs N Sheraton
Deputy Head / Maths Subject Leader
